4. **Price and Payment**
 - 4.1 The price of the Products will be as set out or referenced in the Quotation or Acknowledgment. If no price is set out in such documents, the price will be the price set out in Rotork's published price list as at the date of Acknowledgment.

Rotork reserves at all times the right to exit the Delivery Location site where it reasonably deems the site to be non-compliant with good industry practice or otherwise poses a risk of harm to Rotork or any of its employees, agents, subcontractors or agents and shall not be liable for breach of Contract or delays to delivery for doing so.
- 5.6 If delivery is delayed due to any act or omission of the Customer, or if having been notified that the Products are ready for despatch, the Customer fails to take delivery or provide adequate shipping instructions, Rotork shall be entitled to place the Products into a suitable store at the Customer's expense. Upon placing the Products into the store, delivery shall be deemed to be complete, risk in the Products shall pass to Customer and Customer shall pay Rotork accordingly for all related costs and expenses (including, without limitation, costs of transport in returning the Products from the Delivery Location to the storage site, re-delivery, storage and insurance).

- (a) such rate (expressed as a percentage of the price of the Product delayed and to apply in respect of any delay after the end of the grace period) and for such a maximum period as is agreed between the Parties and stated in the Contract; or
 - (b) where no such rate has been expressly agreed, a rate of 0.5% of the price of the Product delayed for each full calendar week of delay after the end of the grace period, up to the maximum of 5%.
- 5.9 Any claim by the Customer for liquidated damages is conditional on the Customer submitting such a claim to Rotork in writing within 30 days from the delivery of the delayed Product or, if applicable, the date on which the Customer exercises its right of termination under clause 10.2.
- 5.10 The Customer's right to claim the amounts set out in clause 5.8 are, in addition to the Customer's right to terminate in accordance with clause 10.1 or 10.2, the Customer's sole remedy and Rotork's sole liability for the delay in the delivery of Products or Services.

For the avoidance of doubt, provision of a New Part or otherwise replacement of a Product component shall not constitute a replacement of a Product. Where a New Part is provided pursuant to clause 7.4(a) then the unexpired balance of the Warranty Period applicable to the Product will apply to the New Part.
- 7.7 Rotork will not be liable for a Product's failure to comply with the Product Warranty in any of the following events:

- Rotork will reimburse the Customer for any reasonable road or rail transportation expenses the Customer incurs in transporting the Products subject to the claim to and from the Customer's site where such Products are operating provided that such expenses are not significantly above the average costs for transporting similar goods (as part of a consignment of other goods) a similar distance by paved highway or rail in the relevant country.
