4.2 Prices are exclusive of value added tax or any other similar tax ("**VAT**") payable in the Buyer's jurisdiction of incorporation but includes all other taxes, duties and levies, including non-VAT sales and use taxes. If VAT is chargeable in the Buyer's jurisdiction of incorporation, it will be separately identified on the invoice and will be payable by the Buyer subject to the Supplier's compliance with its obligations in clause 4.4 and without prejudice to clause 4.5 below.

4.3 Subject to clause 4.2, the Supplier will be responsible for, and, without limiting clause 15, shall defend, indemnify and hold harmless in full the Buyer, from and against any and all taxes, duties, fines penalties and interest, imposed on the Supplier, its personnel or any Affiliate of the Supplier, by the government or any other lawful taxing authority of any country for or on account of any payment made to or earned by the Supplier in connection with the provision of the Services under this Contract.

4.5 Provided clause 4.6 or 6.2(d) does not apply and provided payment is not disputed by the Buyer, then the Buyer will electronically transfer payment to the Supplier on the date falling 60 days after the end of the calendar month in which the

Buyer received the Supplier's invoice. If such a day is not a normal banking day in the Buyer's place of business, then payment will be made on the following normal banking day in the Buyer's place of business.

- 4.6 The Buyer will be entitled to set-off any liability (including amounts invoiced but not yet due) owed by it to the Supplier against any liability of the Supplier or any of its Affiliates to the Buyer or any of its Affiliates under the Contract or otherwise.

6. REMEDY FOR DEFECTS

- 6.1 If the Services do not conform to (or do not continue to conform to) all of the requirements set out in clauses 3.2 and 5 then the Buyer may (subject to clause 6.2(a)) send the Supplier a written notice requiring the Supplier to rectify the Non-Conformance within the timescale required by the Buyer (taking into account the Buyer's operational priorities), at the Supplier's cost (a "Rectification Notice"). To the extent the Buyer has not yet paid for Services subject to a Rectification Notice, the Buyer will not be obliged to pay until the Non-Conformances have been addressed to the reasonable satisfaction of the Buyer. The Supplier will immediately notify the Buyer if it believes it will be unable to rectify the Non-Conformance in accordance with the Rectification Notice.

6.2 If:

- (a) the Buyer (at its sole and absolute discretion) does not believe it is desirable for the Supplier to perform the work to rectify the Non-Conformance;
- (b) the Supplier notifies the Buyer that it will be unable to rectify the Non-Conformance in accordance with the Rectification Notice; or
- (c) the Supplier does not successfully rectify the Non-Conformance in accordance with the Rectification Notice, then the Buyer may, without prejudice to any rights or remedies it may have:
- (d) adjust the Contract price by an amount determined by the Buyer at its sole and absolute discretion, to reflect the Buyer's assessment of the extent and impact of the Non-Conformance (such an adjustment could be to reduce the price to nil)
- (e) rectify or arrange to have rectified such Non-Conformance at the Supplier's cost; or
- (f) procure equivalent services from alternate sources in order to meet the Buyer's requirements at the Supplier's cost.

To the extent that the Buyer reduces the Contract price under sub-clause (d) above to an amount lower than the amount of the price for such Services already paid to the Supplier, the Supplier will reimburse the Buyer for the difference between the price paid and the adjusted price, within 14 days of the Buyer invoicing the Supplier for such amounts. To the extent that the Buyer incurs costs under sub-clauses (d) and (e) above, the Supplier will reimburse the Buyer within 14 days of the Buyer invoicing the Supplier for such costs.

7. DELAY AND FORCE MAJEURE

- 7.1 The Supplier will immediately notify the Buyer in writing if it has any reason to believe that it may or will be delayed in any way from completing its obligations under the Contract, with full details of the reasons for such belief and any mitigating measures it is taking to manage or reduce the delay.
- 7.2 Subject to the affected Party's compliance with clause 7.3, the time specified for the performance by a Party of any obligation of that Party in the Contract will be extended by a period equal to the period for which such performance is prevented by a Force Majeure Event.
- 7.3 The affected Party will use all reasonable efforts to mitigate the effect of a Force Majeure Event.
- 7.4 If the Buyer receives a notification from the Supplier under clause 7.1 or if the Buyer reasonably believes that a Force Majeure Event has occurred that will or may prevent the timely performance of the Supplier's obligations under the Contract, the Buyer may immediately, on written notice to the Supplier, cancel its order under the Contract in respect of some or all of the Services. In the event of such a cancellation, neither Party will have any liability to the other in respect of such cancellation.

- 8.3 If any inspection is required by the Buyer under clause 8.1 as a result of reasonable concerns relating to the Supplier's ability to perform its obligations under the Contract, the Supplier will be responsible for the costs of the inspection.
- 8.4 If the Buyer has reasonable grounds for believing the Supplier may be unable to perform its obligations under the Contract, the Buyer may require the Supplier to provide adequate assurances or other written evidence, to the Buyer's satisfaction, that the Supplier is able to fulfil its obligations under the Contract, within 30 days of the Buyer's request.
