| Tested communication protocol:    | Profibus DPV1                           |
| Style guide conformity tested on: |   |

Rotork Controls Ltd has declared with written statement that the tested DTM also supports the device types as listed on the consecutive pages of this certificate.

This certificate is assigned for the forgoing mentioned tested and supported device types according to the FDT Group document "Framework for testing and certification of DTM".

This certificate entitles Rotork Controls Ltd to use the FDT Certified label and logo in the product specification and marketing communication of tested and supported device types.

A high resolution version of this logo is available from the FDT Business Office.

Diegem, November 11, 2010.

A handwritten signature in black ink, appearing to read 'Katrien Peeters', with a long horizontal stroke extending to the right.

Katrien Peeters  
FDT Certification Office
